Approximately 30 demonstrators are reported to be on Parliament Hill and 75-100 demonstrators are on Wellington St at this time.

Large hotel chains in downtown Ottawa have begun refusing bookings for Friday and Saturday.

Coutts POE continues to be blocked by semi trucks and other vehicles. Further efforts to communicate with the protestors have not been successful.

A tweet alleges that the Canada First group is calling for the arrest of all Members of Parliament and Senators. Original Canada First post could not be identified. CIG will continue to monitor for any threats towards MPs.

PPS has advised that there are 149 MP's currently on Parliament Hill, the majority arriving by foot. No issues have been reported.
